Withholding will be done on the same basis as wage withholding. **Unless you request otherwise, National Integrity will withhold taxes as if your filing status is single with no adjustments.** If you are a resident of AR, CA, DC, DE, GA, IA, KS, MA, MD, ME, NC, NE, OK, OR, VA, VT or Puerto Rico and withhold federal tax, National Integrity must also withhold state tax at the state's standard rate unless you indicate otherwise. For AZ and MI residents, National Integrity will withhold at the state's standard rate unless you elect otherwise using form A-4P or MI W-P, respectively. For CT residents, mandatory withholding will apply unless form CT-W4P is submitted to opt out. Opt out is not available for single sum distributions. For MS residents, mandatory withholding will apply for early distributions (before age 59.5) or a return of excess contributions from qualified plans. If you choose not to withhold federal tax, National Integrity will also not withhold any state income tax unless you indicate otherwise.

Even if you elect not to have income tax withheld, you are still liable for the payment of income taxes on your taxable distributions. You may also be subject to tax penalties if your payments of estimated tax and withholding, if any, are inadequate. I direct National Integrity to:

SECTION 7: TERMS AND CONDITIONS OF THE PROGRAM

The following terms and condition apply to this annuity contract. Please read them carefully. If you fail to meet these terms and conditions at any time, you may incur adverse tax consequences.

Non-Qualified Extended contracts

You are purchasing an annuity contract as a part of a death benefit distribution that involves payments to be made over your life expectancy. National Integrity will calculate and make these payments according to the payment option elected. The Internal Revenue Service (IRS) has not reviewed this contract and National Integrity does not guarantee that the payment from the contract will qualify for the tax treatment being applied.

1. The payments must be substantially equal payments made over your life expectancy. Your payments will be taxed as amounts received as an annuity and the investment in the contract will be spread over the number of periodic payments made over your life expectancy.
2. Your first payment must be distributed to you on or before the first anniversary of the deceased contract owner's date of death.
3. You must have made your election to receive stretch payments of the death benefit within 60 days from the time the benefit was payable to you.
4. You must receive your annual amount each year.
5. No additional contribution can be made to this contract.
6. You have the option to surrender the contract or take a partial withdrawal at any time. However, if you surrender the contract or take a partial withdrawal, your payments will no longer be taxed as amounts received as an annuity; instead you will receive the gain first and be taxed first on all of the gain remaining in the contract.

SECTION 7: TERMS AND CONDITIONS OF THE PROGRAM (Continued)

7. You cannot transfer or assign the contract.
8. Any optional rider offered under a product is not available on your contract.

Inherited (Stretch) IRA and Roth IRA contracts

You are purchasing an annuity contract as a part of a death benefit distribution that involves payments to be made over your life expectancy. National Integrity will calculate and make these payments according to the payment option elected. The Internal Revenue Service (IRS) has not reviewed this contract and National Integrity does not guarantee that the payment from the contract will qualify for the tax treatment being applied.

1. The payments are required minimum distributions based on your life expectancy.
2. Your first payment must be distributed to you before the end of the tax year following the deceased contract owner's date of death.
3. You must receive your annual amount each year.
4. No additional contribution can be made to this account.
5. You have the option to surrender the contract or take a partial withdrawal at any time. However, if you surrender the contract or take a partial withdrawal, your payments will no longer be taxed as amounts received as an annuity; instead you will receive the gain first and be taxed first on all of the gain remaining in the contract.
6. You cannot transfer or assign the contract.
7. Any optional rider offered under a product is not available on your contract.

The IRC defines an "Eligible Designated Beneficiary" to mean with respect to the Decedent Owner of the prior Contract, any designated beneficiary who is –

- The surviving spouse;
- A child who has not reached majority (age 18) within the meaning of Code Section 401(a)(9)(F)¹;
- Disabled (within the meaning of Code Section 72(m)(7));
- A chronically ill individual (within the meaning of Code Section 7702B(c)(2), except that the requirements of Code Section 7702B(c)(2)(A)(i) thereof shall only be treated as met if there is a certification that, as of such date, the period of inability described in such subparagraph with respect to the individual is an indefinite one which is reasonably expected to be lengthy in nature); or
- An individual not described in any of the preceding subclauses who is not more than 10 years younger than the Owner.

SECTION 8: STATEMENT OF UNDERSTANDING

I understand that National Integrity does not intend for any material, including annuity contracts, it provides to customers or potential customers to be used, and in fact it prohibits the use of such material, for the purpose of evading federal, state and local taxes and penalties.

I understand that the annuity contract I am purchasing provides certain rights to me as owner and upon my death, to my named beneficiaries. I understand that the exercise of some of those rights may result in adverse tax consequences due to the tax law restrictions associated with this contract. I also understand that the contract has withdrawal charges and may also have a market value adjustment, which apply to a full surrender and to any partial withdrawal greater than the free withdrawal amount stated in the contract, even if the withdrawal is for the required distribution amount.

¹. Currently not supported.

SECTION 9: ANNUITY PRODUCT DISCLOSURE

Note for IncomeSource Contracts: The SECURE Act eliminates “stretch IRAs” by requiring that all distributions to a designated beneficiary be made by the end of the 10th calendar year following the year in which the IRA owner dies (except if such beneficiary is a surviving spouse, disabled, chronically ill, a minor child or not more than 10 years younger than the IRA owner). Therefore, any period certain payout that would extend beyond the 10th calendar year following the last annuitant’s death will be commuted at the end of that 10-year period.

SECTION 10: CERTIFICATION AND AUTHORIZATION

By signing this form I certify the following:

1. I understand that National Integrity is not responsible for monitoring the distributions required from this account and that it is my responsibility to ensure that the correct amount is withdrawn from my account each year. I hold National Integrity harmless from any liability that may arise from my failure to withdraw the required annual payment amount.
2. I understand that National Integrity does not provide tax or legal advice. I acknowledge that I am responsible for all tax consequences resulting from my decision to establish or continue an account at National Integrity.
3. Under the penalties of perjury, I certify that:
 - a. the number shown on this form is my correct taxpayer identification number, and
 - b. I am not subject to backup withholding because (i) I am exempt from backup withholding or (ii) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (iii) the IRS has notified me that I am no longer subject to backup withholding, and
 - c. I am a US citizen. National Integrity suggests that you consult with an attorney or tax advisor for proper tax advice.

Note: You must cross out item 3b of certification if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting of interest or dividends on your tax returns.

I authorize National Integrity to distribute my annual payment amount in accordance with the instructions given above, and to credit my account with payments at the above named financial institution. This agreement will remain active until written notification is received and processed by National Integrity. I authorize the financial institution to debit my account and refund any overpayments by National Integrity.

For Inherited (Stretch) IRA and Roth IRA contracts:

As Owner, I read and understand the definition of an “Eligible Designated Beneficiary” in section 7. I hereby certify that I qualify as an Eligible Designated Beneficiary.

By signing, I acknowledge that I have read and understand all of the rules and information provided above.
